

**SPONSORSHIP PROSPECTUS**  
**2015 North American Chemical Residue Workshop**  
**July 19-22, 2015**  
**Trade Winds Island Grand | St. Pete Beach, Florida**  
**[www.nacrw.org](http://www.nacrw.org)**

**FLAG Works, Inc.** is a not-for-profit, 501(c) (3) corporation which sponsors the North American Chemical Residue Workshop (NACRW), *formerly the Florida Pesticide Residue Workshop (FPRW)*. NACRW is an annual meeting for scientists particularly interested in trace level analysis of pesticides, veterinary drug residues, and other chemicals in food, animal feed, and environmental samples. The purpose of the meeting is to provide training, develop and improve technical knowledge, facilitate development and distribution of new analysis methods and techniques, and establish networking to promote professional cooperation between scientists who share these interests. While the majority of attendees are from North America, important international speakers are always included in the Technical Program, and attendance of scientists from Asia, Europe, South America, Australia, and Africa is increasing annually. The last few years our attendance has been over 300!

FLAG Works, Inc. is offering sponsorship opportunities to enhance the overall event for attendees and deliver the ***highest-profile attention to your company before, during and after the meeting. Don't miss this investment opportunity to position your company in front of decision-makers.*** Our goal is to make the conference affordable and accessible to as many attendees as possible.

***Platinum, Gold and Silver Sponsorships***

Platinum, Gold, and Silver sponsorships partially subsidize our social event and help defray costs of registration products. As we grow, NACRW is committed to maintaining our inviting atmosphere by increasing opportunities for attendees to interact with each other outside of the technical program. This year's social event is a private event at the world class Dali museum located in St. Petersburg to be held on the evening of Monday, July 20th. This event provides an excellent networking opportunity as well as private access to the impressive Dali collection.

There is also a sponsorship opportunity for the "Opening Welcome Reception" which is planned for Sunday evening, July 19, 2015. As we have had in past years, there will be a "Get to Know Your Sponsor" contest that requires interested attendees to visit your booth to be entered for a prize drawing during the meeting. Attendees love this!
